With your room buddies work out your own meals and breakfasts and get your shopping on Friday to bring on site to your room. In Minehead choose from Morrisons, Tesco, Lidl and others. Bring some extra toilet roll as they only provide a 'starter' roll! Also bring your own towel. Bedding is provided. All suites come with tea and coffee making facilities, a mini fridge and free Essential WiFi.

There are limits on the amount of alcohol you can bring on site when you check in. *For the safety, well-being and enjoyment of all of our guests, we do not allow guests to bring excessive quantities of alcohol onto our resort. We are committed to responsible drinking and will confiscate any excessive alcohol at the resort entrance or from your accommodation during your break and give it back to you at the end of the weekend. You may bring up to 12 x 440ml cans of lager, beer or cider or 6L of lager or cider in plastic bottles or a 3L box of wine per person or one (maximum 700ml) bottle of spirit per person.*

*You may bring this with you on arrival to the weekend only; there is no re-entry with alcohol*

## THE NWH3 ITINERARY for the weekend

### Friday

Check in from 4pm. You will need to bring PHOTO ID with you.

Red Dress run 7pm - WhatsApp group will show start location Hare is AAF.

### Saturday

Enjoy a walk on Saturday with Team 'Bumplucker' from 1130 at the front of the resort - do not be late as you will miss the Steam Train taking us from Minehead to Blue Anchor Bay. For those who wish to enjoy the walk we hop off the train at Blue Anchor Bay and walk the South West Coast path to Watchet. (Run number #1959)

The walk will be 3.5 miles (5.6k) and is an up and down walk (I have assumed the names highlighted in yellow may stay on the train to Watchet and meet us there)

In Watchet there are shops, a museum and plenty of pubs! Our main meeting point is the Pebbles Tavern 24 Market St, Watchet TA23 0AN

Saturday continued....

Arrange your own breakfast and supper - a packed lunch will be provided on the day to eat on the return on the train back to Minehead. We return to the resort on the 15:27 train from Watchet to Minehead. This is the last train, if you miss it then you will have to take a taxi or walk back!! Don't be late!

***Saturday night is fancy dress night - dress to impress- be your favourite pop/rock star or just your favourite fancy dress - it's a free for all!***

### **Sunday**

Walk and a run (number #1960) with Team 'RubberProp'

We will meet outside Butlins at 11:00am and walk together for about 15 minutes to a sculpture which consists of a pair of hands reading a map of the South West Coast Path route. This will be the start of the run/walk. The walk will be about 4 miles and the run 5 miles.

As we come to the end of the run/walk, we will have a stop at a pub for a drink before going on to The Quay Inn (which is just a short walk away) for the circle, food and afternoon entertainment.

The food will be a choice of gammon and chips or veggie sausages and chips(vegans also accommodated). There will be a band (duo) starting at 2pm followed by karaoke.

Arrange your own breakfast and supper this day- a hot lunch will be provided

Sunday night - more bands more dancing more fun in the resort!

### **Monday**

Breakfast and check out by 10am - Miss you already!

### The small print and a note about additional costs/haspy behaviour

If your room smells of smoke, a minimum charge of £75 will apply for the additional cleaning required. Please smoke in the designated areas not in the rooms or buildings (included vapes).

We have not paid any extra for insurance – if you bend it – you pay to mend it

The lead booker for any group booking will be required to agree to and sign a code of conduct on the behalf of the group- that is Fiona and Annie for this trip – by all means eat, drink and be merry and have a great time, let your hair down and party like its 1999 but please don't make it awkward for us as we want to have a good weekend too!
