Monday 9th March 2015

Dear Sandie

On behalf of the committee, staff and users of the pool, I would like to thank everyone at North Wilts Hash House Harriers for your most generous donation of £753.00 recently received by our Association proceeds from your Santa Dash at Coate Water.

My two young daughters and myself joined in this time and we all had a great time, they thought it was great all the Santa's together.

The support and generosity we receive from your organization is greatly appreciated by all of us associated with the pool. That support enables us to continue our work for the benefit of the whole community.

Your gift will be put to good use to help benefit everyone who uses this unique pool, now and in the future.

Yours sincerely

Neil Montgomery
Pool Manager
